HOW IT WORKS

Managing your Application Online

We respect the fact that you are a busy person and if you can open a bank account and shop for groceries online you should be able to manage your visa application on the internet too.

New World Immigration developed cutting edge software to help you manage your application – completely online using your tablet, iPad, smart phone or desk top computer. This system has been developed over the past 5 years taking into consideration all aspects relating to the VISA process. No matter which visa you are applying for, our system and our staff will make sure it's an easy and hassle free process.

The Online Advantage

- Progress and Status Report: Live tracking of your case online
- Online Client profile Area: Used to create your Visa application form
- Templates and Examples: Speak to your New World Immigration case manager, any time, any place
- Secure and Safe: The most advanced security to keep your information safe

WHAT TO EXPECT

When you come on board, you can expect the following:

1

Your case will immediately be assigned to a case manager that specialises in the country you want to go to.

2

Your Case Manager will give you a call to discuss your visa and the documentation required (At all times during the process you will have a direct line of communication with your case manager)

3

The manager of their division will also make contact with you to introduce themselves and to confirm their availability should you have any issues with the services you are receiving.

4

Your Online Portal will be created and you will be given access to listed documents we will need to process your application.

5

Once we have all your documents, preparation to submit your application begins (You will notice during this period that you will receive follow up communication making sure that the process continues smoothly – Offers of support will always be provided)

6

Once your application has been submitted, regular follow ups (where available) will be made to ensure you are kept abreast of any developments regarding your case. The results of these follow ups will be relayed to you immediately.

7

Once your visa has been approved, you will be notified and collection of the permit/visa can be arranged.

Our Service Delivery Promise

Promising the best service and experience is extremely challenging and requires focus, professionalism, discipline and transparency. We don't take the responsibility lightly and your satisfaction is extremely important to us.
